REQUEST FOR EXPEDITIOUS PROCEEDINGS

The Union Referendum Student Organization hereby requests that the University of Kansas Student Senate Court of Appeals order expeditious proceedings for the Request for a stay of the Comolli vs Union Referendum Student Organization ruling and Collin Cox and Kassandra Valles both concurrently filed by petitioners on April 6, 2017. Student Senate Rules and Regulations (“SSRR”) Appendix P Part III Rule 16.2 permits the Court to grant requests for expeditious proceedings in extraordinary circumstances. Because of the upcoming election on April 12th and 13th, this matter relates specifically to a question on the ballot up for the election and the organization’s ability to campaign for the election, this timing constitutes as extraordinary circumstances that justify the Court’s grant of this request for expeditious proceedings.

As provided in SSRR Rule 16.2 of Appendix P, the Court ruling later than one day after receipt of this request. The petitioners requests that the concurrently filed requests be considered in an expedited manner. Petitioners request an expedited decision on the stay of the Elections Commission’s ruling due to the limited time until election day while the Court determines the validity of the ruling.

Respectfully submitted,

/s/ _____
 Collin Cox
